

500 IN 500

How to Help

If you want to help support this plan to identify 500 units for our unhoused neighbors, there are different ways to get involved:

I have a unit for rent in a building that I own. Who do I contact to be a part of 500 in 500?

Please contact Chuck.Keenan@alleghenycounty.us at the Allegheny County Department of Human Services.

I am the owner/operator of a building that could be repurposed as housing for people leaving shelter. Who do I contact?

Please contact Chuck.Keenan@alleghenycounty.us at the Allegheny County Department of Human Services.

I have a building that can be repurposed. Who can I contact for more information.

Please contact the [Allegheny County Department of Economic Development](#).

What supports are available to landlords and property managers?

The Allegheny County Department of Human Services has supports for both tenants and landlords. Landlords that are housing those exiting shelter have access to caseworkers who can help solve problems before they lead to non-payment of rent or other disruption. Please contact the Housing Navigator unit at housingnavigators@alleghenycounty.us at the Department of Human Services

I want to help welcome people to my community. Who do I contact?

Please contact Mark.Bertolet@alleghenycounty.us at the Allegheny County Department of Human Services.
